## **February 2: Club Meeting: Social Night-Tack Sale/Cleaning/Movies**

EAST HADDAM GRANGE ~ 6:30 PM

Now is the perfect time to go through your various tack and horse-related items and decide what you need to keep, what you need to buy and what needs some maintenance. Last year's **TACK CLEANING AND MOVIE NIGHT** was a huge success, with almost two dozen people sharing the evening in a relaxed atmosphere. This year, by request, we are adding a **TACK SALE** to the mix. And, to make it even easier on you, we will provide **PIZZA** for dinner!

Take an evening to **reconnect with friends** and to get excited about the **CVDC 2013 calendar of events**. All you have to do is **bring your tack**, to clean or sell, or clean and then sell, or sell and let the other guy clean! Some supplies and rags will be available. Several movies on hand – WEG, Live Oaks, or bring your favorite. Headcount followed by brief meeting, including a preview of this year's planned events, while we go get the pizza.

## **March 16: Field Trip: Greenall's Carriage House/Running Brook Farm**

Visit Greenall's Carriage House for a peek at John & Sue Greenall's restored antique carriages. Also planning a stop at Running Brook Farm to see what the Fallon's have on hand. Maybe a stop on the way home for dinner if people are inclined. Guests welcome, the more the merrier!

Please let Rita know if you are coming so we can let the Greenall's know a headcount. We will put people in touch with each other geographically for carpooling arrangements. Plan to arrive in Vermont by 10:30 am so we have time to enjoy all that our hosts have to offer.

John Greenall will be the judge for this year's CVDC Driving Trial. He is known for his driving expertise, keen eye for turnout, and appreciation for fine carriages. Find out more by clicking here: [\*\*John Greenall – Bio.\*\*](#) (His wife, Sue, is a noted horsewoman in her own right, and author of the Animal Lovers' Bedtime Reader.)

*Located in the Green Mountains of Vermont, 4 miles from the Green Mountain Horse Association in South Woodstock, Vermont. Farm consists of 104 conserved acres with horses and other animals, and over 25 restored antique carriages.*

## **April 6 and 7: Spring Clinic: Larry Poulin**
